

CIAJ Annual Conference: Justice and Mental Health

Panel Seven

How does civil justice take charge of those suffering from mental health problems?

October 18, 2018
Ottawa, Ontario

The Spectrum of Mental Health & Addictions

- From prevention to crisis intervention
- From a single episode to a chronic relapsing and at times fatal condition

Reinforcing Models of Care for Mental Health & Addictions

- The challenge of acute care and the judicial system
- Building support in the community

The Unique Circumstances of Addictions: What the Opioid Crisis has Taught Us

The Role of Primary & Secondary Prevention & Addressing the Social Determinants of Health
