

Help needed : lawyers with experience in machine learning

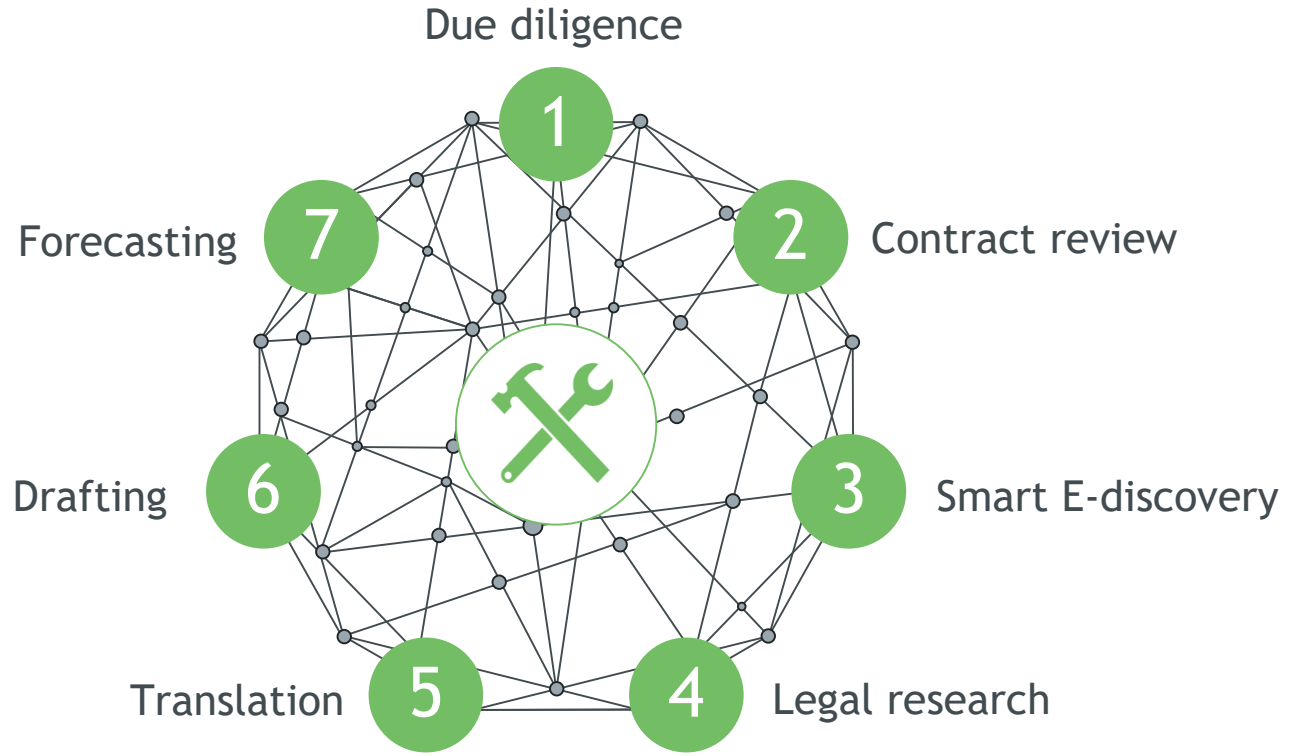

Eric Lavallée, partner

lavery
Avocats · Lawyers

Unrealistic expectations

- AI replacing students and paralegals
- Efficient
- Ready to use
- Reliable
- Free (almost)
- No client can bypass us
- ... not going to happen!

Type of tools

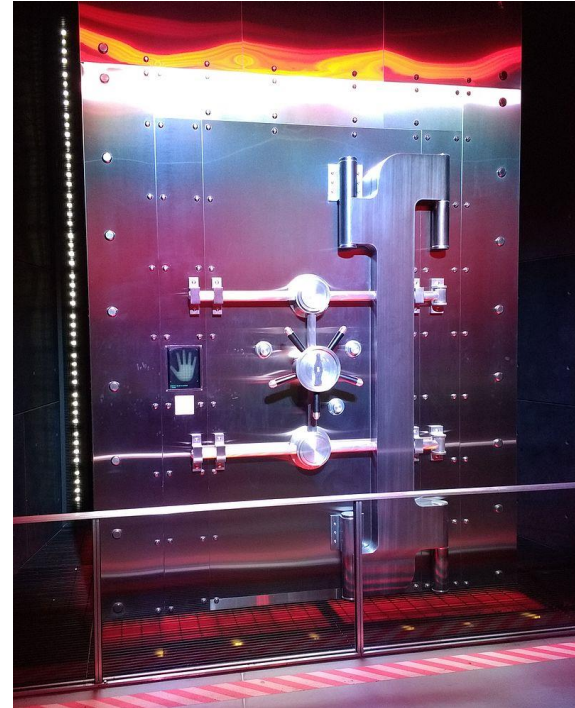

Concerns

- Confidentiality
- Liability
- Trust
- Bias
- Access to justice
- Student training

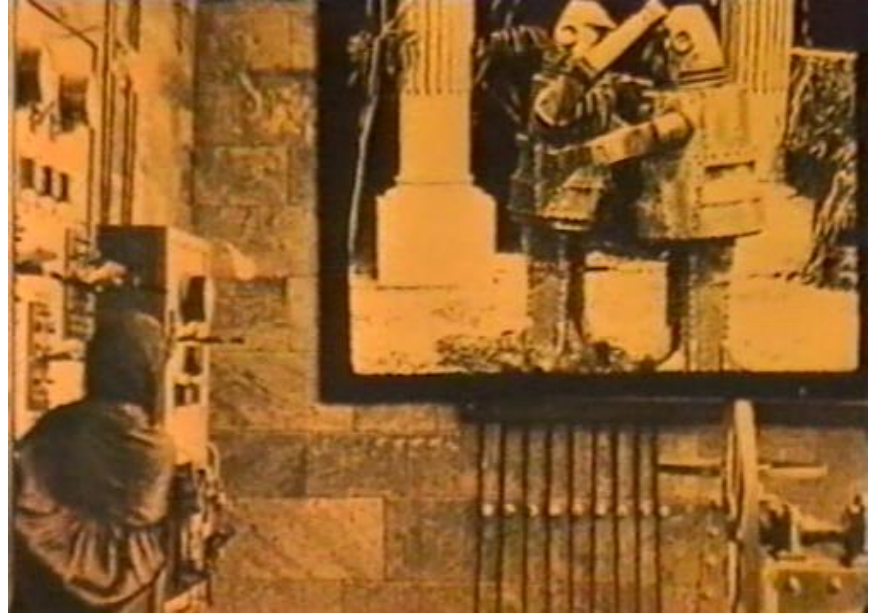

Data

- From ?
- Concerning ?
 - personal info
 - right to oblivion
- Biased ?

Trust

- Machines
- Lawyers
- Justice system

The Mechanical Man (1921)

What lawyers need to do...

- Identify potential solutions
- Understand how they work
- Professional obligations
- Work with developers
