SEMINAR OVERVIEW

This program, offered jointly by the Canadian Institute for the Administration of Justice and the National Judicial Institute, is designed so that new judges may participate in sessions that are most relevant to them topically. Throughout the week, the seminar subjects are divided between those that apply to Common Law jurisdictions, those that apply to Civil Law jurisdictions, or both. Where Common Law and Civil Law jurisdictions overlap, translation services will be provided and the groups will be combined according to the following criteria:

- All newly appointed Common Law and Civil Law judges attending the seminar for the first time.
- All newly appointed Common Law and Civil Law judges who previously attended a New Federally Appointed Judges seminar.
- Newly appointed Common Law judges.
- Newly appointed Civil Law judges.
